

KOTEESWARAN N

Sr. UI/UX Designer - 8 Years Of Experience

I am an aspiring UI/Visual Designer with impeccable attention to detail. I have a total of 8 years of experience, ranging from graphic design, UX research, wire framing, logo, Icon and most importantly, Information visualisation.

My primary focus throughout, has been to create:

- **Adaptable design systems across standalone & web based**
- **Responsive, multi-screen UI design**
- **User-Centered Design process**

EXPERIENCE

SENIOR ASSOCIATE - UI/UX DESIGNER

kCube Consultancy Services April 2016 - Present

- My primary responsibility is to handle 4 teams with around 20+ members to solve design needs
- Collaborated with GIS experts and developers to ensure seamless integration
- Used in 8 internal and 5 customer-facing projects.
- Created a multiscreen/multi-platform design system.

GRAPHIC DESIGNER

Satori Technologies April 2015 to April 2016

- Conceptualised & created graphics for kindergartens
- Created designs for various mediums, including School books, print materials, and branding assets.
- Character designing
