Experience

kCube consultancy services Pvt. ltd, Chennai, India
Associate - UI/UX Designer
April 2016 - Ongoing

kCube specializes in Geospatial Application development and IT solutions.

- Primary responsibility is to handle more than 5 teams with around 40+ members to solve their UI/UX and design needs.
- Conducted user interviews with 10 participants for better insight into their emotions, behaviors, and usability to produce an indigenous Weather app.
- Follow the same concept and handle various projects within set deadlines.
- Conceptualize original ideas that bring simplicity and user-friendliness to complex design roadblocks.
- Conducting usability tests with participants to better understand usability patterns on responsive devices.

Satori Technologies, Chennai, India
